

Visa Support Visitors

You may require a visa when visiting Thailand for business and/or leisure. Please check with the Thai Embassy or Thai Consulate in your country of origin if you require a visa for Thailand. Please make sure that you submit your visa application on time, since the procedure takes a few weeks.

If you do need a visa you must apply for your visa personally at the Thai Embassy or Thai Consulate in your country of origin. You can find the Thai Embassies in the list below.

You might need a letter of invitation for your visa application. The letter of invitation on behalf of the ILDEX Bangkok team is intended to clarify the purpose of your journey to Thailand. This letter may in no way be considered a guarantee of entry to Thailand.

A letter of invitation for the period of the exhibition can be requested via an application form. You can send this form to Mr. Anucha, ildexbangkok@gsncc.com or anucha.par@gsncc.com or fax number +66 (0) 203 4250.

Application form Letter of Invitation – Visitors

To be able to apply for a visa at the Thai representative in your country, it would be best if you could show them a letter of invitation from one of the exhibiting companies with whom you are already doing business or with whom you have contact with the aim for doing business. If the company in question is an exhibitor, but not a Thai company, a letter from this company together with the invitation letter from the VIV Asia team might speed up the proceedings.

As mentioned earlier please make sure that you submit your visa application on time, the whole procedure takes a few weeks. After 6 January 2012, it is unfortunately not possible to accept your application for a Letter of Invitation.
