Conference Attendee

Vietnam livestock industry will strive to raise its production value by 7.5-8 per cent and increase the ratio of livestock production from 28 per cent to 30 per cent of the total agricultural output this year, an official said at a conference in HCM City yesterday.

The livestock industry aimed to produce 4.2-4.3 million tonnes of meat this year, an increase of 6.5 per cent over last year, said Prf. Hoang Kim Giao, general director of the Department of Livestock Husbandry under the Ministry of Agriculture and Rural Development at his opening speech

It also aimed to produce 6.5 billion eggs and 330,000 tonnes of milk, an increase of 9.5 per cent and 10 per cent, respectively, he said.

Prof. Hoang Kim Giao, general director of the Department of Livestock Production addressed the welcome letter of Minister of Agriculture & Rural Development (MARD) to ILDEX Vietnam 2012.

To help local livestock breeders access latest technology and services, the Ministry of Agriculture and Rural Development will co-operate with Thailand-based Company N.C.C. Exhibition Organizer, VNU Europe and VEAS Co Ltd to organise the 4th international exhibition on livestock, dairy, meat processing & aquaculture - ILDEX VIETNAM 2012 will take place from March 22-24 2012 at the new Sai Gon Exhibition and Convention Centre in HCM City's District 7. Vietnam, it has double size exhibits space with 30% increased in the no. of exhibitors & visitors and highlight the topics in Aquaculture.
